LB 716, 1072

SENATOR WESELY: Oh, I guess I'd just ask for a record vote, Mr. Speaker.

SPEAKER BARRETT: Record. Record vote has been requested.

CLERK: (Record vote read as found on pages 1845-46 of the Legislative Journal.) 23 ayes, 22 nays, Mr. President, on the motion to raise.

SPEAKER BARRETT: Motion fails. The call is raised. Have anything to read in, Mr. Clerk?

CLERK: Not at this time, Mr. President.

SENATOR LAMB PRESIDING

SENATOR LAMB: The next bill is LB 716.

CLERK: Mr. President, 716 is on General File. It was a bill introduced by Senators Hall and former Senator Rupp. (Read title.) The bill was introduced on January 23 of last year. At that time it was referred to the Government Committee for public hearing. The first issue I have, Mr. President, are committee amendments by the Government Committee.

SENATOR LAMB: The Chair recognizes Senator Hall. Senator Baack.

SENATOR BAACK: Yes. Mr. Chairman and members, the committee amendments that are pending on 716 at this point are rather meaningless because we had another bill introduced this year, LB 1098, introduced by Senator Hall. The committee did some consideration on that and that's where Senator Hall has taken his direction from as far as the way he wants to amend 716. So, with that, I would just urge you to reject the committee amendment. I have to make a motion to adopt them but I would urge you to vote no on the committee amendments and then we can proceed with Senator Hall's amendments to 716 and go in the direction that he is looking to go which is in the direction of LB 1098. With that, I would move for the adoption of the committee amendments and urge you to vote no. Thank you.

SENATOR LAMB: Is there any other discussion on the committee amendments? If not, the motion is to adopt the committee amendments to LB 716. All those in support vote aye, those
